Step 3- Choose file to upload image if it is not there and press 'upload'

Step 1- Select CAD from the drop-down

Step 2- Select the shade from the drop-down for which you want to create label N.B. if a size add you will need to load the image again for the new size/ shape.

Note: Follow ALL above steps in order to get it right first time.

After selecting shade in the last step (Image), go to the top and select the shade you want to create label for. This should upload labels in all the sizes for that particular shade as shown in the next slide

The screenshot shows the 'Vendor Portal | Flair Rugs' interface. At the top, there are navigation buttons: Home, Create Item, View Items, and Create Label. A phone number '+44 1457 850 670' is displayed. Below the navigation, there are icons for SETTINGS, ACCOUNT, and SIGN OUT. The main content area features a 'Select Item' dropdown menu showing 'DENBURY > EMPIRE > 97% Completed'. To the right of this is a 'Print' button with a dropdown menu. The dropdown menu is open, showing a list of color options: 'Select a colour to print label', 'BEIGE', 'BLACK', 'BROWN' (highlighted), 'GREY', and 'RED'. On the left side, there is a vertical sidebar labeled 'Approvals' with a list of categories: General, Cross References, Lifecycle & Description, Manufacturing & Shipping, Packaging & Labels, Purchase Prices, Sales Prices, Weights & Dimensions, and Technical Specifications. The browser's address bar shows 'rugpartner.com/Vendor/Modify/DENBURY,EMPIRE'. The Windows taskbar at the bottom shows the time as 13:53 on 17/04/2015.

Now you have labels in all the sizes for the selected shade

Press print to PDF, this should save labels in downloads. Untick zoom to get the full image of rug before printing them to PDF
